

COLM MAGUIRE

Director and Company Secretary

Currently the Group Executive of Transformation for the Pharmacy Guild of Australia which represents over 4000 Community Pharmacies across the country.

Pharmacy Transformation is a critical portfolio for the Guild with a deep connection to the membership through its associated programs. The areas of responsibility in this Group are Branch Engagement, Business Support, Innovation, Business Policy, Learning and Development, Membership, Quality Assurance Programs and Workplace Relations.

The position is a member of the Pharmacy Guild of Australia's leadership and provides critical insight into the issues facing small business across Australia. Previously served as Chief Executive Officer of one of Australia's largest participation sports (Touch Football) for 10 years. Touch Football Australia is the national governing body representing the interests of nearly 700,000 players, coaches and officials across the country. Colm led the governance, culture and financial reform of the organisation while also establishing the historic strategic alliance with the National Rugby League (NRL).

An extensive career in sport management for a further 10 years at State and National level established a broad range of experiences particularly in the area of stakeholder engagement, collaboration and strategy development. Prior to his career in sport management Colm served for 9 years in the Royal Australian Air Force. Colm has a desire to ensure that the critical role that industry bodies play in representing members is not only enhanced and recognised by the membership itself but valued at higher levels.

With numerous challenges facing small business the need to meet value expectations has never been greater and Colm is looking forward to supporting both COSBOA and its members.
